# Last Will And Testament

We, the graduating class of 1956, realizing that the close of our school days is near at hand, think it's wise to leave something to those who in the future will undertake to fill our places.

In the course of our high school days, naturally, we have accumulated various and valuable possessions. We have acquired a vast store of knowledge along with other things that will help us through our lives. Since we are burdened with some of these valuable possessions, we think it's wise to dispose of them; too, we realize that the school would have a great loss without us or our possessions. The underclassmen, especially the Juniors, would be handicapped if we took all valuable assets.

To our faithful and long suffering principal, Mr. Plumblee, we leave our heart-felt gratitude for his helpfullness and co-operation in leading us to our goal.

To our sponsor, Mr. Littell, to whom we are very much indebted for his leadership and guidance, we leave our sincere wishes that he may have a class just as he wants it to be.

To our teachers, who are our friends and helpers, we leave our wishes that the oncoming students will be more willing to abide by all the rules and regulations.

To individuals in the Junior Class we hereby leave part of our possessions:

Buddy Hardee wills to Wayne King his place in typing provided he doesn't write love letters to Christine.
Lois Simmons leaves her ability to succeed in school work to Norma Sue Hicks.
Betty Simpson wills to Loraine Minor her studying capacity provided she doesn't get too intellectual.
Harold Tate wills his good times in typing class to Jerry Rudd.
Ruby Bryant wills her quietness in class to Patsy Knight.
Mogene Aldridge wills her mad spells to Bill Ross.
Edna Somers wills her ability to get along with the teachers to Genevieve Bryant.
Bobby Oakley wills his luck with PLYMOUTHS to Don L. Compton, and hopes it runs better than his.
Shirley Dunevant wills her position as captain on the basketball team to Ruby Aldridge.
Grace Webster wills her witty ways to J. A. Rainey.
Raymond Boswell wills to Wallace Compton and Levi Byrd his good times skipping school and hopes they don't get caught.
Helen Mahaley wills her good times in school to Laura Mansfield.
Jimmie Bradley wills his school bus to Jimmy McKinney, provided he will take good care of it.
Marie Campbell wills her position on the basketball team to Edna Roberts.
Betty Jean Page wills her good times going to school on the Cherry Grove bus to Jerry Combs.
William Allred wills his good times at F.F.A. to Daniel Boone.
Grover Huffines wills his good times in study hall to Coy Dunevant.
Marvin Walters wills to Johnny Allred his seat in typing.
Delma Allred wills his flirty ways with the girls to Lindsey Page.
Lorine Fitch wills to Patricia Massey her job of being handy girl.
Margie Paschal wills her happy moments of going steady to Isabella Kimbro.
Phyllis Boone wills to Jeanette Wilson her good times in English and French and hopes she makes better grades.
Marian Walters wills to Wilbert Page her love for school life.
Lila Knight wills her seat in English to Billy Cox, provided he keeps watch over her baby sister.
Louise Kernodle wills her many good days in typing to Eugene Massey providing he makes good.
Jeanette Rainey wills her four years as cheerleader to Monroe Rice providing he will do better.
Billy Oakley wills his ability to aggravate girls to Leonard Apple, providing he is willing to take a few licks.
Lois Aldridge wills to Patsy Gwynn her place working in the lunchroom.

# Senior CLass History

In September of 1952, we, the graduating class of 1956 became high school Freshmen with an enrollment of fifty-two. Naturally we were very grateful to the elementary teachers who had painstakingly prepared us for the coming four years.

Mr. W. R. Lingle was our Freshman home-room teacher. Class officers were elected as follows: President, Phyllis Boone; Vice-President, Margie Paschal; Secretary, Marian Walters; Treasurer, Lois Simmons. We had a few parties that year which were enjoyed by all.

We were led through our Sophomore year by Mr. E. D. Brown. Class officers were : President, Mogene Aldridge; Vice-President, Estelle Bailey; Secretary, Phyllis Boone; Treasurer, Jeanette Rainey. By the end of this year we had lost several members of our class.

We spent a most enjoyable Junior year under the guidance of Mr. E. O. Littell. This year held much work and excitement. The competent officers were: President, Grover Huffines; Vice-President, Marvin Walters; Secretary, Marian Walters; Treasurer, Lois Simmons. The most anticipated activities of the year were ordering our class rings in October and giving the Junior-Senior Banquet, which was held at the Danville Country Club on April 1st.

Our final year began in September, 1955 with Mr. Littell as our Senior Advisor. Officers were elected as follows: President, Grover Huffines; Vice-President, Buddy Hardee; Secretary, Marvin Walters; Treasurer, Lois Simmons. Enthusiastic and energetic, we tackled each task, confident of mastering it.

The highlights of this year were publishing our annual, presenting our Senior Play, our trip to Washington, D.C. and New York City, our pleasure in attending the banquet given in our honor by the Junior Class, and the preparation for graduation.

The history of our class, as a group, ends when we receive our diplomas. Then, it becomes the privilege of each member to form his personal history by his individual deeds.

# Class Prophecy

Well, I guess it's the gypsy in me-I don't know any other reason why they chose me to foretell the class prophecy. I will now gaze into this crystal ball to see what the future holds for this grand class of 1956.

Lila Knight has been looking around for a place to hang her shingle. You know she is a dentist, I suppose, I always did wonder why she worked so hard to build those muscles. "Hold on to the chair, patients, please."

Grover Huffines always has been pretty good at sketching. He now has a job as a commercial artist for one of the large newspapers in New York.

Say, who is that smiling nurse coming out of room 209 in Alamance Memorial? Lois Simmons, of course. Who wouldn't get sick just for her to hold his hand?

My, that new filling station that Bobby Oakley is building is really swell. Some people wonder how he does so well, but I would like to know if his conscience hurts him when he sells three quarts of gas for a gallon?

Mogene Aldridge is now secretary for her husband. Mogene always was good in typing, but no one ever guessed she would someday be a secretary and marry her boss, Bill Ross.

Betty Jean Page was going to be a stock car driver, but got side-tracked into being a model. Look for her on the cover of any of the latest magazines.

Marvin Walters who was so intellectual, is now Professor of English at the University of North Carolina.

In spite of her smallness, Betty Simpson has now become the most famous woman wrestler in the country.

There's Harold Tate still sleeping! He always liked to sleep late and made a million dollars so he could.

Edna Somer, whose future was decided before graduation, is now busy keeping house for her husband and three boys.

After graduation, Raymond Boswell set out to become a stunt pilot, and right now I see him coming out of an outside loop in his new Luscomb.

Can this next place be Washington, D.C.? Now I see Marie Campbell, the first woman president of the United States.

Grace Webster is following her husband now. She is working near the Air Force Base as a personnel worker.

Lower the gang plank, folks! Do you see who I see? None other than our own Billy Oakley who is now in the United States Marines.

April's issue of Charm really disappeared from the newsstand, but no wonder, our own Phyllis Boone's face smiled prettily on the cover wearing a new Easter bonnet.

Say, who is that going in the parsonage? The former Marian Walters, who is bride of the new Baptist Minister. She was a wonderful person and I know she'll make a model wife.

Shirley Dunevant who was always fond of baseball, has done well for herself by becoming a scout for the Cleveland Indians and by marrying a Yankee Player.

Buddy Hardee has become the leader of a one-man band and he has his own television program now.

Jeannette Rainey, who married before graduation, is very happy in her beautiful home in New York City.

After he gained enough experience in the Grocer business, Jimmy Bradley opened a large food store. Now his business has expanded to several other cities.

There is another radio program in process. I see Lorine Fitch, who has become a script writer on the mystery show, "Lights Out."

Lois Aldridge won the most blue ribbons at the fair this year, she's now a wonderful housekeeper. No wonder her husband is putting on weight with her cooking!

Listen, I hear music. It sounds like the voice of Margie Paschal, who is now recording the nation's top hit tunes. Her voice will always be remembered by her classmates, because singing was always her first love.

William Allred is the fellow to call when you need to have your sink unstopped. I understand he is a first-rate plumber.

"Picture Live Forever" is Louise Kernodle's slogan. Louise is now a wonderful photographer.

Ruby Bryant, as you know, attended Wake Forest. She liked it so well she is now on the faculty here.

Delma Allred is unmarried and is Caswell's best farmer.

I suppose you wonder what the crystal ball holds for me. My, it looks interesting, but right now, as you can see, I am too busy with the future of my classmates.

The entire Senior Class joins me in saying that the preparation of this annual has been very enjoyable and rewarding to us. Because it was an awaited activity, with diligence did we perform it. We appreciate the help given us by the private business whose advertising made this possible. We sincerely hope that you will find this "finished product" acceptable.
